Fancy and feminine, this June heifer may be young but don't overlook her. This creamy white heifer is sired by the Hickory Smoked bull whose offspring have been catching the attention of commercial cattlemen and Aberdeen breeders alike. Daisy is extremely powerful yet balanced and refined. There's no need to smell the roses when you can pick heifers like Daisy.

This 81.25% female has class and mass. Kenzie is a red gene carrier that will be moderate in size but a power house in all aspects. We like her added rib and volume, her cocky attitude and her super soft ease of movement.
