Tiger Woods

Lot 26

Very flashy, thick and full of red meat, this club calf show steer has a ton of potential and is ready to show! His sire and grandsire (Monopoly) have sired a number of champions. His dam is a very thick, long bodied Tequila daughter. Take him home...he's a winner.

W96E – Donor dam of Lot 27 embryos

A unique and exciting way to add some powerful genetics to your red Lowline program. Sired by the \$11,000 high selling bull at the Star of Texas Sale, Legend, and out of an incredible Red Angus X Simmental donor cow. Added performance, strong maternal characteristics and terrific carcass genetics are contributed by both sides of the pedigree ... extremely attractive parents.
